

Working Assets Automatic Payment Form

Yes! I authorize Working Assets Long Distance to automatically debit my monthly Working Assets charges from my checking account. I have completed the form and enclosed a voided check. I understand that it takes one full month to process my application from the time that it is received, and that I may need to mail Working Assets one more payment. I'll know this service has taken effect when I see the "Do not pay this bill" message on the remittance portion of my bill.
